Shape

Wolf

Based off an all white
wolf to look very clean
and very viscous

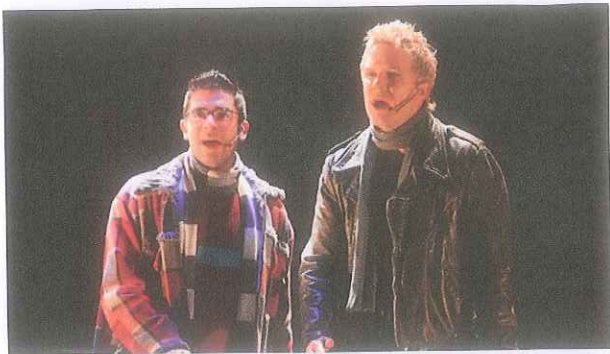

Job- young business
shark

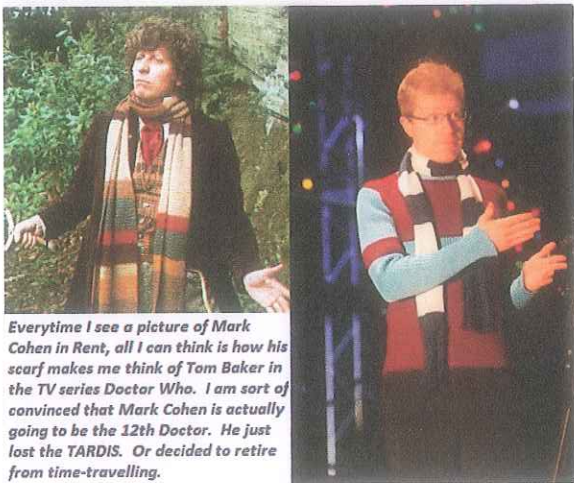

Style- clean cut, very sharp

Jack

Styled after Mark in
"Rent" for his artzy style
and carefree attitude

Everytime I see a picture of Mark Cohen in Rent, all I can think is how his scarf makes me think of Tom Baker in the TV series Doctor Who. I am sort of convinced that Mark Cohen is actually going to be the 12th Doctor. He just lost the TARDIS. Or decided to retire from time-travelling.

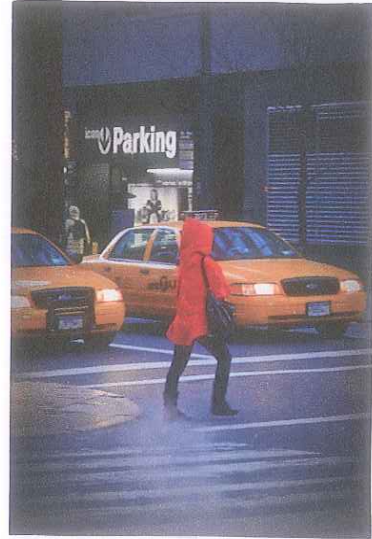

Job - Starving artist

Style - Artzy, careless

Little Red

Riding Hood

Based off of a teenager visiting the city to see her grandmother.

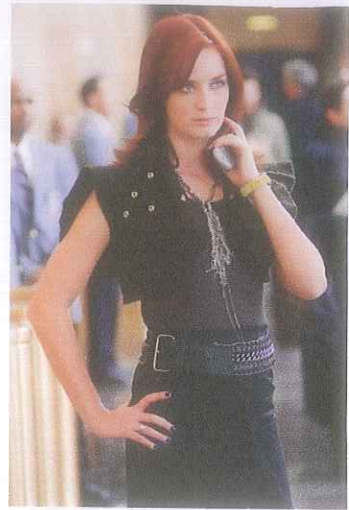

Job - Young teenager
- no job

Style - Artzy, very clean

Step

Sisters

The stepsisters are based off of the elite of our Society those who just have their wealth and have to do no work in their lives, not based of physical ugliness

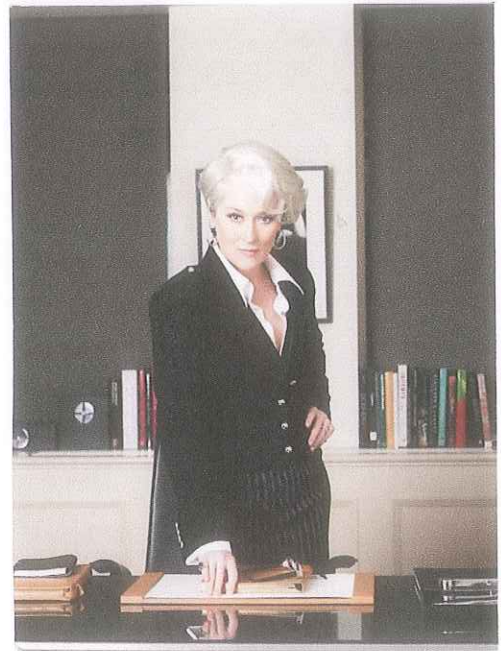

Job - none, very high class, stay at home

Style - very posh, high class, very expensive

Witch

Ugly

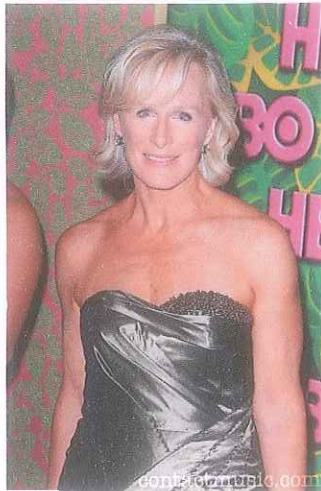

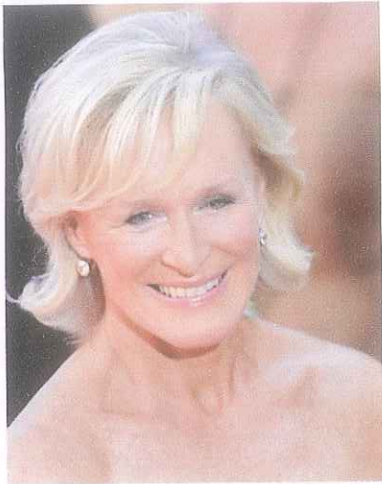

Based off of "The Devil Wears Prada", a very hard to please person, very uptight & picky

Job - Business shark, CEO of a business.

Style - very sharp, uptight, very closed off

Transformed

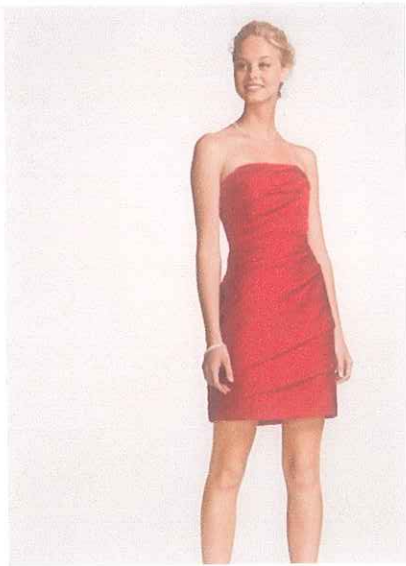

She would be transformed by make-up and her clothes would become a lighter color, her hair would also go from natural (curly) to straight. I was also not basing off of Physical ugliness

Cinderella

Transformed

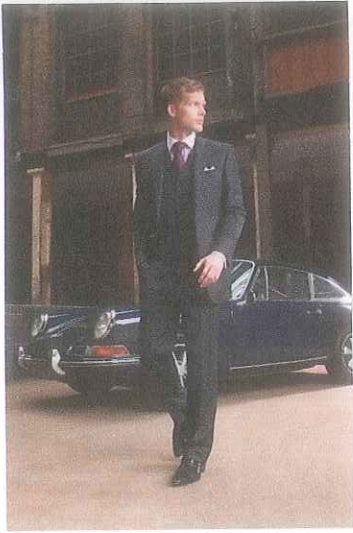

Based off of the "modern fairy tale" couple. She will go to the festival in a shorter red dress and her famous gold shoes

Job - Barista (local coffee shop)
struggling actress

Style - before transformation very artzy
after looks very upper class & rich

Princes

Based off of business men who are very nice & kind and had to really fight and work their way up.

Job - Owners of Denver Performing Arts complex, Business men

Style - very clean cut and professional
