

# The New Pan Yard

This year, we'll be rehearsing at the **United Church of Christ in Canal Winchester, David's UCC, 80 West Columbus St.**

This space has a large parking lot on the North side of the building. It's easiest to enter from Washington St. We'll enter the building from that parking lot. There are two sets of doors off the parking lot, please use the ones towards the East end, closest to Downtown Canal Winchester.

This building is diagonal across the intersection from the CW Education Center.
